Phishing Keyword Hits	0 detected
SSL Certificate Status	Valid Certificate
SSL Expiration Period	2027-03-31 (280 days left)
Registered Domain Age	10240 days (Established)
Domain Registrar Name	MarkMonitor Inc.

Actionable Security Mitigation Plan

- Exercise Standard Caution** — Although this scan did not trigger indicators, always verify domains before inputting secure credentials.
- Inspect Email headers** — If the URL originated from an email claiming to be from an official entity, inspect the sender domain details.
- Keep Security Software Active** — Ensure browser built-in anti-phishing protection is enabled and active in your settings.
